

Kognity for Cambridge IGCSE™

Kognity combines curriculum-aligned content and assessment in an online learning platform to improve student engagement and teacher efficiency.

Supporting your teaching and learning

- +10,000 of interactive practice questions give instant feedback for higher retention.
- Exam-style questions written by IGCSE curriculum experts, with mark schemes.
- Extensive assignment bank for teacher, and ability to add own questions in the platform.
- Track strengths and weaknesses to target study time effectively.
- Curriculum-aligned, factually correct, up to date and relevant material.
- Kognity can be used on any device (laptop, tablet and phone) with an internet connection.
- Highlight and take notes directly in the platform.
- 24/7 support for students and teachers at the touch of a button.

Higher Scores

90% of students feel that Kognity has helped them achieve higher scores on tests.

More Engaging

86% of students find Kognity more engaging and fun than their printed textbooks.

Simplifies Assessment

89.5% of teachers find that Kognity simplifies formative assessment.

Global presence

Kognity is currently used in over 100 countries worldwide

“Kognity is value for learning. It will enable you as a Head to track learning activities, monitor teaching and student ownership, track formative assessment progress and have inspirational conversations with your staff and students. It helps raise success rates and improves student attainment”

- Dr. Tassos Anastasiades, Head of School at Edubridge School, India
